

*Happy  
Birthday*

A dark grey background is filled with white line-art illustrations of various birthday-themed items. At the top, there's a banner with triangular flags. To the left, a gift box with a large bow, a glass of bubbly with a straw and umbrella, and a party hat are visible. In the center, the words "Happy Birthday" are written in a large, yellow, cursive font. Below the text is a small yellow wavy line. At the bottom, a birthday cake with four lit candles is the central focus. To the right, there are two cupcakes, a gift box, a balloon, and a treble clef. The bottom right corner features a lollipop and another cupcake. The overall style is whimsical and celebratory.

Wie auch immer Sie Ihren Ehrentag feiern ... wir wünschen Ihnen, eine bunte und fröhliche Zeit!
